

To my special nurse Colleen

Goodbye Colleen
I know you have to leave
So here's a gift that might
make you smiley

You make me feel so very good
I know you have to leave now
but I wish I could
come with you.
You make my night
shine and bloom.

Thank you Colleen
for everything
that you did for me.

I'm very sad.
But I'm also glad because I know this is
the best choice for you. You make me smile when I'm sad
You make me happy when I'm mad
Thank you Colleen so very much
You give me a special touch

You're the best nurse
Everybody knows
So here's a special present
That will make you glow

Thanks Colleen for making everything easy and fun
Thanks Colleen, Thanks a ton!

Love, Malky
